## Exhibitor Opportunities

Each fall, TDCAA hosts the largest national gathering of prosecutors and their staff members at the Annual Criminal and Civil Law Conference (900–1,000 attendees). TDCAA also hosts conferences directed at particular groups, from seasoned attorneys and brand-new prosecutors, to victim assistance coordinators and investigators, throughout the year. In addition, each year more than 150 elected Texas district and county attorneys gather for a three-day conference. These events are great opportunities to connect with Texas prosecutors and the community leaders of criminal justice.

### Exhibit Table Only

Space includes a 6- or 8-foot skirted table and two chairs. Please notify TDCAA if you have special requirements; extra fees may apply. Exhibit days may vary depending on conference location and special events.
