on May 10, 2021

**8+ hours of MCLE, including 1+ hours of ethics**

TDCAA is proud to bring you the 2021 online Civil Law Conference. Civil attorneys in prosecutor offices face a litany of tasks and duties day-to-day, and TDCAA's Civil Law Conference aims to help them in their pursuit of serving the counties for which they work. Sessions address topics every civil practitioner needs, from an outlook on life post-COVID and the ethics of bringing in outside counsel, to criminal discovery in civil files and environmental enforcement. No matter your job description, you'll find much to take away from this online training!
