

Issues in Domestic Violence course

Cases involving domestic violence haunt most criminal dockets. These are some of the most commonly filed cases and the most difficult cases to resolve. Complex problems don't necessarily require complex solutions. They do, however, require a collection of solutions waiting at the ready for deployment.

Enroll in our third installment of multiple presenter training to learn how prosecutors from all over the state are working to protect victims and resolve issues that routinely surface in domestic violence cases. Join us with guest host Tiana Sanford, ADA in Montgomery County, as we begin our dive into this topic.

Presenters for this course include:

Jessica Escue, ADA in Brazos County

Allenna Bangs, ACDA in Tarrant County

Cara Landers, ACDA in Lubbock County

Dewey Mitchell, ACDA in Collin County

Charann Thompson, ADA in Fort Bend County

Brandi Mitchell, ACDA in Dallas County

Staley Heatly, 46th Judicial District DA
