DWI Updates on Legislation, Cases, and Countering Defenses

Texas District and County Attorneys Association (TDCAA)
in cooperation with the Texas Department of Transportation

TDCAA is proud to offer 6 hours of TCOLE and CLE credit for peace officers and prosecutors to attend this free, high-quality training. Effective DWI investigation and prosecution is a constantly moving target. This year's program will focus on legislative, caselaw, and best-practice updates. As always, the state's best instructors will present great information and lead relevant discussions. Police and prosecutors must keep current on both the law and new practical developments to handle these always-difficult investigations and prosecutions.
