Online Legislative Update

For the first time, TDCAA's Legislative Update will be available online this year. Registration for the course will open in late June at www.tdcaa.com/training, and the course will be posted online for viewing in late August. Everyone who registers will receive a copy of our *Legislative Update* book in the mail; it will be sent to the address you use to register for the course. We strongly recommend watching the Legislative Update with the book in hand—the course summarizes the book, which in turn summarizes our larger code books. Currently, TDCAA is unable to offer TCOLE course credit for the online version of the Legislative Update; please check our website for potential updates on TCOLE credit eligibility. Also note that cancellations will be accepted only until we have sent out books; after that, we cannot issue refunds.

In-person Legislative Updates

TDCAA is offering only two in-person Legislative Updates. They include an additional hour of TCOLE-required training aimed at peace officers and investigators (for 4 hours total). Attorneys will receive 3.5 hours of MCLE credit.

Thursday, August 12, 1:00–5:00 p.m.

Hilton Dallas/Rockwall, 2055 Summer Lee Dr., in Rockwall

This Legislative Update is happening the same week as TDCAA's Investigator Conference. Attendees of that course are welcome to attend the Legislative Update, but it requires additional payment, separate registration, and separate sign-in on-site. Space at this location is very limited so online registration will be cut off when capacity has been reached. There will be no walk-ins accepted at this Legislative Update.

Tuesday, September 21, 1:00–5:00 p.m.

Galveston Island Convention Center, 5600 Seawall Blvd., in Galveston

This Legislative Update is happening the same week as TDCAA's Annual Criminal & Civil Law Conference. Attendees of that course are welcome to attend the Legislative Update, but it requires additional payment, separate registration, and separate sign-in on-site. We strongly encourage online registrations rather than walk-in registration the day of the course.
