

Litigation in MH Cases: Sanity, Competency, & Restoration

This free online course is now available
at [TDCAA.com/training/#onlinetraining](https://www.tdcaa.com/training/#onlinetraining)
4.25 hours of MCLE

Part Two of the TDCAA Mental Health Video Series is now available through TDCAA's online training platform. This 4.25-hour course is designed to educate prosecutors on the laws and procedures related to mental health litigation in criminal cases. This course covers competency and restoration, sanity, and other MH defenses, and it includes detailed information about our state hospital system. This course is available free of charge.

Agenda

Competency & Restoration

Kendall McKimmey & Lee Pierson, Assistant Criminal District Attorneys, Dallas County

Sanity

Bradford Crockard & Jeff Matovich, Assistant District Attorneys, Harris County

Mental Health Defenses

Gilbert Sawtelle, Assistant District Attorney, Harris County

The Texas State Hospital System & The Continuum of Care

Dr. Felix Torres, Chief of Forensic Medicine, Texas Health and Human Services Commission, & Meghan Kempf, Associate Director, IDD-BH Section, Texas Health and Human Services Commission

Registration for this course is free. Once registered at www.tdcaa.com/training/#onlinetraining, participants will receive a confirmation email.
